Menus

The menus compiled in this brochure have been designed to suit the Swiss Classic Train. Other special menus can be provided on request but are subject to the limits of the train's catering facilities, journey time and number of participants.

The selected menu must match the journey time.

If any participants have special dietary requirements, please advise us at the time of booking.

Number of guests

The number of participants must be confirmed a minimum of five working days before the journey.

This figure will be used for the final invoice.

Invoice

The final invoice for meals and drinks will be issued after completion of the journey.

Additional important Information

- Personnel costs incurred as a result of additional stopovers or changed journey times will be listed in an amended offer and confirmation.
- Prices include place setting, table linen and flowers. Special requests for flowers or table decoration will attract an extra charge.
